The **Pinocchio** song **When You Wish Upon A Star** has the lyrics:

“When a star is born

They possess a gift or two

One of them is this

They have the power to make a wish come

true”. This message encourages the listener to embrace their own uniqueness

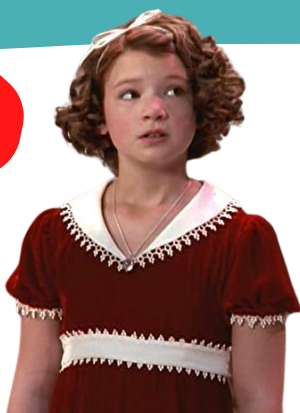

02

The song **Try Everything** from **Zootopia** describes how it's better to attempt something and fail than to not attempt it at all

03

Tomorrow from **Annie** teaches us that everything is temporary, and if things are bad we just move on and try again the next day

04

The **Bare Necessities** from **The Jungle Book** is all about concentrating on your needs and not your wants, and appreciating the simplicity of life

05

Let It Go from **Frozen** is an anthem of acceptance, loving yourself without letting what others say to drag you down
